All my fruits :) Svo naše vo?e :)

Nakon oluja koje se provla?e kroz naš kraj ovih dana, ju?er smo odlu?ili posjetiti moj vinograd i uvjeriti se da je sve ok nakon tu?e. I olakšali smo se ?im smo stigli jer je sve u najboljem redu. ?ak smo i našli grož?e koje je ve? jestivo :)) evo malo fotkica da vam do?aramo....i par fotkica novog vo?a in našeg vrta :) tu je ?ak i KIVI :)))

After some big storms that were in our region these days, darling and I went to our vineyard to see the situation. Fortunatly everything was ok, all the grapes were fine and we also found some that were ready to eat all ready :) Here are some pictures from the vineyard and some from our garden, there is also a KIVI there somewhere :)

Have a wonderfull weekend :)
Ugodan vikend svima :))
