

Biranje rođendanske torte :) Choosing a birthday cake :))

Dragi svi, bliži se moj rođendan (18.06) :) pošto još uvijek neznam kakvu tortu da radim sama sebi molim vas za pomoć :) ako znate neku predobru tortu ili po izgledu ili po okusu stavite mi link u komentar :) Linkove prikupljam do nedjelje 05.06.2011 pa ću napraviti uži izbor najboljih pa da zajedno odlučimo koju ću tortu raditi :)

My dear followers and friends, my birthday is coming up (18. June) ! And since I have no idea what cake to make for myself I want you to help me :) If you have a good looking or a good tasting cake please put a link down in the comments :) I'll be collecting links until Sunday 05.06.2011, and then make a small voting pool on the best suggestions :))
