

Darivanje se pove?ava :) The giveaway get's bigger :)

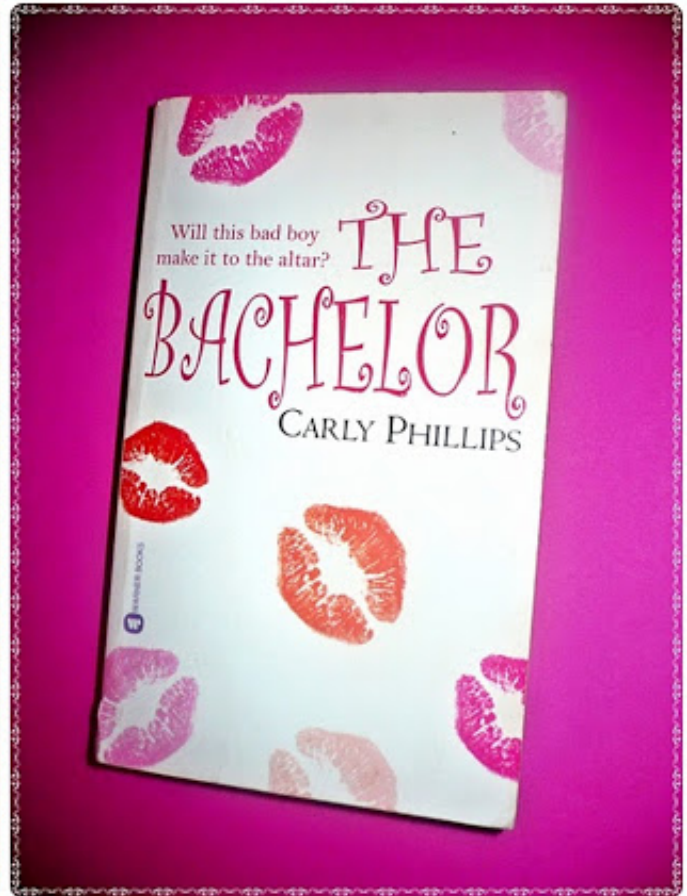

Ju?erašnje šaranje o gradu rezultiralo je pronalaskom još jednog poklona za darivanje :) podsje?am vas da ?e službeni post o darivanju biti objavljen u nedelju i trajat ?e 1 tjedan :) svi koji ostave svoj komentar na taj post ulaze u nagradno izvla?enje :) Evo nove nagrade : silikonska mutilica i silikonski kisti? :) i to u vrlo privla?noj ljubi?astoj boji ;)

Yesterdays stroll trough the town was very successfully and i found another gift for the giveaway :) i remind you that the official post for the giveaway will be posted on Sunday and it will last for one week :) every comment left on that post with the e.mail address will be included in the giveaway :) so this are the new things to the giveaway : silicon whisk and a silicon brush :) and they are very attractive i must say in their purple color :)

I knjige iz prijašnjeg posta :)

And the books from the previous post :)
