

Picking plums today :) branje šljiva :)

Nakon noćne smijene i buđenja oko 14:00 sati odlučili smo popodne provesti u voćnjaku i nabrati malo šljiva da poneseimo prijateljima :) bilo bi više slika da je baterija mobitela potrajala :)

After a night shift and waking up at 2 pm we decided to pick some plums from my garden for our friends :) there would be more pictures if the cellphone battery lasted longer :)
