

## Torta iz snova - Dream cake :)

Evo napokon da i natipkam recept za ovu torticu :) Dugo sam, dugo planirala ovu torticu i kako ?e izgledati ali na kraju je ispala savršeno :) a zapravo je vrlo jednostavna :) ali zato i vrlo efektna! Recept za mousse je [Tamarin sa coolinarke](#), biskvit je standardno so?an moj a tu je i tajni sastojak koji je DoVa pogodila a to su bile jagode :) pa da nastavimo tu pri?u sa jagodama :)

So it came, the moment to write down the recipe for the dream cake :) I was planning this cake for a very long time, the taste and the way it will look at the end, ant i must say it came out perfectly! Bit, in fact, it is very simple! The mousse recipe is from [Tamara from Coolinarika.com](#) and the cake is a standard moist cake by me. And there is also the secret ingredient that DoVa was right about - strawberries! So let's continue the strawberry story ;)

Priprema :

Za biskvit : jaja, še?er, vanilin še?er, limun i malo soli pjenasto izmiksati dok ne postane bijela pjena te u to laganim pokretima rukom umiješati prosijano brašno i prašak za pecivo. Pe?i 20 minuta u kalupu od 20 cm na temperaturi od 180 stupnjeva.

Za mousse: ?okoladu rastopiti na pari, dodati joj žumanjak i jaje te žlicu vode i tu?i mikserom dok ne postane pjenasto. Zatim odmaknuti sa vatre i dalje tu?i dok se ne ohladi. Ako stavite u posudu sa hladnom vodom brže ?e se ohladiti! Slatko vrhnje istu?i u šlag i dodati ga ?okoladi.

Jagode nasjeckati na ploške i ostaviti sastrane.
