

Coffee and Chocofest Zagreb

Ove subote uputili smo se na izlet u Zagreb, pa me posebno veselilo to da je u tijeku bio 4. feestival ?okolade. Pošto sam bila na prva dva, pa sam tre?i presko?ila baš me zanimalo što ima novo.

Nažalost sam se malo razo?arala ponudom jer je dosta stvari bilo isto kao što je bilo i proteklih godina. Lokacija je bila zanimljiva, gužve nije bilo previše ali opet moram priznati da sam o?ekivala malo više.

Pogotovo od strane kave, žao mi je a i nekim mojim poznanicim da nije bilo više izbora kave od onih komercijalnih koje znamo i pijemo svakodnevno. Pozitivno je bilo da smo gledali kako se rade portreti od kave :) i pogledali izložbu slika slikanih ?okoladom.

Drago mi je da je elipa iz [Gustolato](#) sudjelovala, a moram primjetiti da je i kod njih bila najv?e gužva jer sam jedva nešto fotkala/snimila :) Vjerujem da su bili hit!

Također, uključio se i [KitchenAid](#) ali nisam uspjela popratiti radionice :(Kao ni predavanje o čokoladi moje divne kolegice Anje Bajt sa bloga [Sweetheart Sweets](#) , za koje vjerujem da je bilo zanimljivo :)

Ali kako je naglasak bio na čokoladi, ne može biti tako loše pa smo i dosta toga probali :)

Pogledajte kratak video u nastavku kao i fotogaleriju slika :)
