

Fruit squares :) Vo?ne kockice :)

Imam osje?aj da je nad menom uvijek jedan kišni oblak i da me slijedi kud god da po?emi zato sam se ju?er oraspoložila sa par ?aša žutog muškata a danas sa ovim preso?nim i prevo?nim kola?i?e koji je doslovno gotov za pola sata (sa miksanjem, pe?enjem i pranje posu?a) eto, tako ja do?ekujem bolje dane za koje se nadam da ?e sti?i sa ljetom :))

I have a feeling that a big rain cloud is always floats above my head in the last few weeks... and that's why i hat to cheer myself a little bit up, yesterday wit a few glasses of muscat blanc and today with this very berry and very moist fruit squares :) it is literally done in a half an hour (mixing, baking and doing the dishes) so, that is my way of cheering me up and and waiting for better day to come :) hopefully with the first day of summer ;)

Sastojci :

6 jaja
175 g še?era
150 g brašna
80 g margarina
1 vanilin še?er
korica 1 limuna

Ingredients :

6 eggs
175 g sugar
150 g flour
80 g butter
1 vanilla sugar

zest of 1 lemon

Prepara :

Odvojiti žutanjak od bjelanjaka i bjelanke pjenasto izmiksati u 2 vrsti snijeg.

Žutanjke sa šećerom na pari miksati oko 2-5 minuta dok se lagano ne "dignu" i nakon toga nastaviti miksati još par minuta u posudi za miksanje. Lagano dodati brašno, rastopljeni margarin, vanilin šećer i limun i miksati dok se sve skupa ne sjedini. Dodati snijeg od bjelanjaka i lagano (ali stvarno lagano :) miješati. I na kraju u sve to umiješati voće po želji, isto tako količina je po vašoj želji. Peći na 180 stupnjeva oko 25 minuta, a kalicom provjeriti :)

Preparing:

Separate the yolk from egg whites and blend the whites in to a firm foam..

Yolks with sugar steamed mix about 2-5 minutes until lightly "rise up" and then continue to mix a few more minutes and put it in the mixing bowl away from the steam. Slowly add flour, melted butter, vanilla sugar and lemon zest and mix until all the all unites . Add egg whites and gently (but really gently) mix. And at the end of it add fruit also the amount of your choice. Bake at 180 degrees about 25 minutes, a toothpick to check.
