

Have yourself a merry little Christmas:)) Sretne blagdane i Blagoslovljen Boži? :))

Dragi moji, došlo je i to vrijeme - Boži? :)) volim to doba godine, ali nekako nisam u tom "feelingu" ove godine...vjerojatno zbog posla, stressa, faksa itd. al to je sad nebitno :) evo još par sati sam na poslu i vraćam se doma. Kišnje bora, dovršavanje kolača, obitelj, polnočka, moj dragi sve će biti tamo zbog toga sam jako zahvalna pogotovo ovu godinu koja je bila u cijelom svijetu godina recesije i raznih nezgoda, zahvalna sam najviše ljudima koji su me podupirali cijelu godinu poevši od roditelja, mog dragog i prijatelja, a pogotovo novih prijatelja koj su mi pokazali što znači pravo prijateljstvo. I ne kaže se badava da se na fakultetu nau prijatelji za cijeli život :) uglavnom, hvala svima koji su me razveselili svojim predivnim komentarima i svima koji me redovito prate! **Želim vam sretan i blagoslovljen Boži? :)))**

And there it is the favorite time of the year - Christmas:)) I love this time of the year, but somehow I'm not in the Christmas mood this year ... probably because of work, stress, collage, etc. but that's irrelevant now:) In a few hours i'm finished with work and going home. Decorating the tree, finishing the cake, family, Midnight Mass, my darling.....I am so grateful , especially this year which was a worldwide recession and various accidents, I am most grateful to the people who supported me all year, starting from parents, and my dear friends, and especially new friends who showed me what true friendship means. They say that in collage you find friend for life, and that is true :) mainly big thanks to everyone who cheered me with their wonderful comments and all who follow me regularly! **I wish you a Happy, merry Christmas:)))**
