

I love my Playround postman :) Volim svog Playround poštaru :)

Danas ujutro, ?im sam se probudila, pred vratima sobe ?ekao me mali žuti paketi?... a to zna?i da je stigla jedna od mojih narudžbi :) a ?im sam vidjela ime pošiljatelja još više sam se razveselila :) pošiljatelj je bila Mirna sa [PLAYROUND](#) - a a u nastavku pogledajte ?ime se Mirna bavi i što je meni stiglo :))

This morning, the moment i woke up, in front of my room was a small yellow package and that means that one of my orders is here :) and soon as i saw who the sender was i was so happy :) the sender was Mirna from [PLAYROUND](#) and below you can see what Mirna does and what i got :)

"Igra?ke naše mladosti kao modni dodatak na prstu."

"The toys of our youth as a finger accessorize"

Mirna izra?uje prstene raznih vrsta. Od minimalisti?kih DOMINO prstena do LEGO prstena, pa ima tu i pravih DOMINO prstena ali ono najsla?e ostavila sam za kraj :D

Mirna makes all kind's of rings. From minimalistic DOMINO rings, to LEGO rings, and there are also real DOMINO rings. But i left the sweetest things for the end of the post :)
