

## Impressive cake making - video isje?ci koji su me ostavili bez daha!

Ju?er sam se malo zaboljila u youtube gledaju?i raznorazne videoisje?ke o tortama! Ostala sam toliko impresionirana da neke stvari moram podijeliti s vama!

Yesterday i was watching some videos on youtube watching various cake-making videos! I was so impressed i had to share it with you !

Prekrasno! Odsad želim airbrush! :) Ako netko zna što je to?no ovo prozirno što stavlja na tortu molim hint :))

Amazing! From now on airbrush is on my wish list! If somebody knows what the clear substance is that his is putting on the cake, please give me a hint! Thanks :)

Ova torta izgleda tako komplicirano na kraju ali zapravo je skroz jednostavno!

This cake looks so complicated, but it is so easy to make !

Savršena dekoracija!

Perfect decoration!

Quick, easy but very impressive decoration!
