

Ombre ruffle cake :)

Ve? dugo želim isprobati ovu tehniku ukrašavanja :) Ruffles ili volani sam radila ve? prije na svojoj [ro?endanskoj torti](#) i prefinoj [limun tortici](#) ali ovdje je u malo druk?ijem obliku! A "ombre" je francuska rije? koja je doslovno zna?i "sjena" (sjen?ano) - stupnjevanje boja! Prošle je godine ova tehnika doživjela veliki boom što se ti?e [frizerskog svijeta](#), pomno posvijetlena kosa koja neupu?enima izgleda kao izrast ali to nikako nije ;) U [slasti?arskom svijetu](#) ta tehnika je živnula na vjen?anim tortama u obliku fondana ili buttercreama a ja sam ipak koristila slatko vrhnje jer nisam ljubitelj krema sa margarinom. Napravila sam 3 nijanse roze boje pošto je torta bila za prvi ro?endan jedne male princeze :) U nastavku možete vidjeti u slikama kako je izgledalo ukrašavanje :) Koristila sam nastavak za izradu latica kojeg sam lagano pomicala lijevo-desno kako sam okretala tortu i tako dobila ove malo druk?ije volane! Prije samog ukrašavanja volanima premazala sam cijelu tortu slatkim vrhnjem u tankom sloju! :) Sljede?i projekt bude napraviti istu stvar ali sa fondanom :) tako da, stay tuned ;)

For a long time I wanted to make this decorating technique ;) I made ruffles before on my birthday cake and on the yummy lemon cake but never in "ombre" way :) I made 3 different shades of pink and layerd them on each other. It is common that you make it with fondan or with buttercream but i used whipped cream because it tastes better. The next project will be making it with fondant! :) So stay tuned ;)
