

## Šetnja po zaleđenom jezeru/Walking on a frozen lake

Kod nas je toliko hladno da se Trakošćansko jezero zaledilo i može se bez problema šetati :) Kolegica Tamara sa bloga [Today i'm in the mood for...](#) i ja smo se odlučile za ranojutarnju šetnju i okinule par fotkica :) Uživajte u pogledu!

It is so cold here that the lake Trakošćan froze and you can walk on it! My friend Tamara from the blog [Today i'm in the mood for...](#) and i decided to take an early morning walk on the lake and made some photos :) Enjoy the view :)
